

CLARKE COUNTY ELECTION PRECINCTS

The following is a list of the election precincts located in Clarke County, Alabama and the district that each precinct covers. Please note that Clarke County has several precincts that are split, meaning the same voting precinct covers a part of two different districts. The numbers listed with the decimals are the way the computer system numbers the precinct parts. Some locations will have multiple numbers. A number is assigned to each separate district within a municipality as well for city election purposes. If you are a voter in a split precinct and have questions about which district you are in, please contact the Board of Registrars Office at 251-275-3062. Also, please note that the entire county lies within State Board of Education District 5.
